

DIALOGUE FOR ACTIVITY 1 AND VIDEO

A : “What are you going to do this afternoon?”

B : “I'm not sure. I think I'll just lie down at home. Hmm, how about we spend some time playing in the field?”

A : “Great idea! But, what games are interesting?”

B : “How about playing a kite?”

A : “Hmm. it doesn't seem suitable to play a kite in cloudy(klaudi) weather like this. There will be no wind. Do you have any ideas?”

B : “How about playing top?”

A : Why do we have to play top? Why not just another game?”

B : “Because we as a Malay person must be able to preserve our culture(kalchur) as a cultural heritage so that it does not become extinct”

A : “Wow, so the top game has been registered as a cultural heritage. This is cool. Let's go to the field now!”

Arriving at the field...

A : “Do you have any suggestions on how to play a good top, so that it spins perfectly?”

B : “Of course. The first thing you need to do is hold the top in your left hand, while you hold the rope in your right hand. Then wrap the rope around the top, starting from the axis to the top, and wrap it tightly while turning. Then you can throw the top to the ground then the top will spin perfectly”

A : “Ahh I see, well I'll try it right now!”

B : “btw do you want to see the top competition festival next week?”

A : “I think it will be more interesting”

B : “I have an idea, what if we participate in the top competition?”

A : “Wow, that's sounds interesting. But I'm not good at playing that top game”

B : “No problem. We still have plenty of time to learn. After all the festival will be held next week right?”

A : “OK, then I'll come along. Would you like to train with me before the competition?”

B : ‘Of course. Alright then I'll register both of our names at the festival tomorrow”

A : “Ok. Let's go!’

Note : Yellow: suggest. Green: offer.
