Calculate and fill in the boxes

A diagram illustrating a sequence of boxes representing digits in a number system. The top row contains six boxes with the values 2, 1, 8, 9, 0, and 0. Below the 8 and 9 boxes, there are two more boxes. Below those, there are two more boxes. Below those, there are two more boxes. At the bottom right, there is a box labeled 'R' followed by two more boxes.
