I'm from New Zealand. There are only about
¹ four million people in my country.

There are more ² _____ than people
here! New Zealand is one of the most
³ _____ countries in the world.

There are two big islands. South Island is
⁴ _____ than North Island, but the
weather in North Island is better – it's
⁵ _____ and sunnier. But it isn't sunny all
the time. In winter it ⁶ _____ a lot.

There are a lot of hills and high mountains in South
Island. The highest is Mount ⁷ _____. It's
3,754 metres high. The capital city is in the North
Island. It's called ⁸ _____.
