Read the article and choose T (True) or F (False) in the sentences below.

Also known as football in Europe, soccer is a sport played with two teams of 11 players each. It has become the most popular sport in the world. It is a sport that only needs a ball and is played on a rectangular grass field, sand, or artificial turf that has a goal at each end. The opposing goal using their feet only. Each person on the team has a role. There are the defenders, the attackers, the midfielders, the forwards and the goalkeeper. The goalkeeper is the only player who can use their hands or arms to throw the ball. The team with the highest number of goals by the end of the game wins. If the score is tied at the end of the game, the referee declares a tie or the game goes on for 30 more minutes. If the game is still tied, penalty kicks decide the winner.

a) Soccer is not played with two teams.

T F

b) Each person on the team has a role.

T F

c) The opposing goal use their hands only.

T F

d) The team with the highest number of goals doesn't win.

T F
