Kim Kardashian's routine

Reading: ___/5pts.

On a typical day, without cameras, I wake up early, like six in the morning. I work out for about an hour before the kids get up. I wake the kids up at 7:05 a.m and we all have breakfast together. I always have a bath, I love baths. I get the kids ready and then take them to school, come back, and start my day. I do my hair and makeup, it doesn't take long. Ready to work. I usually have one or two meetings a day. I can't live without talking to my family. I always do a video chat with my family at 2 p.m. When I finish work, I take my son to a music class and my daughter to a horseback riding class. I get back home at about 6 p.m. and we have dinner all together at 7 p.m. I read books to the kids and put them to sleep. At 9 p.m. I answer emails and go online. I love searching eBay; I sell shoes and clothes on eBay all the time. Before I go to bed I study for law school. I spent my nights reading until about 11 p.m. I don't watch much TV because I don't have time. I'm usually so tired that I just fall asleep.
