Fire on fire - Sam Smith

My mother said _____ too romantic
She said, "_____ dancing in the movies"
I almost started to believe her
Then I saw you and I knew
Maybe _____ 'cause I got a little bit older
Maybe it's all that I've been through
I'd like to think it's how you lean on my shoulder
And how I see myself with you

I _____ say a word
But still, you take my breath and steal the things I know
There you _____, saving me from out of the cold

Fire on fire would normally kill us
But this much desire, together, _____ winners
They say that we're out of control and some say we're sinners
But don't let them ruin our beautiful rhythms
'Cause when you unfold me and tell me you love me
And look in my eyes
You _____ perfection, my only direction
It's fire on fire, mmm
It's fire on fire

When we fight, we fight like lions
But then we love and feel the truth
We lose _____ minds in a city of roses
We won't abide by any rules

I don't say a word
But still, you take my breath and steal the things I know
There you go, saving me from out of the cold

Fire on fire would normally kill us
But this much desire, together, we're _____
They say that we're out of control and some say we're _____
But don't let them ruin our beautiful rhythms
'Cause when you unfold me and tell me you love me
And look in my eyes
You are perfection, my only _____
It's fire on fire, oh
It's fire on fire

Fire on fire would normally kill us
But this much desire, together, we're winners
They _____ that we're out of control and some say we're sinners
But don't let them ruin our beautiful rhythms

Fire on fire would normally kill us
But this much desire, together, we're
