B. GUESS THE ANSWER TO THE RIDDLES:

- I'm a vegetable that is good for your eyesight. I grow under the ground and have a green top. What am I?_____
- I am a tropical fruit. I am many different colors on the outside. To say my name, say the opposite of "WOMAN" and then say the opposite of "STOP." What am I?_____
- Many people think that I am a vegetable, but I am actually a fruit. People like to use me to make spaghetti sauce and pizza sauce. What am I?_____
- I look like a fuzzy little oval-shaped ball on the outside and when you cut me in half, you can eat my green insides with a spoon. What am I?_____
- I am a fruit that comes in many colors and many names. I grow on trees and I am also a tasty juice. Sometimes you find half of a worm inside of me. What am I?_____
- I am a crunchy vegetable, with a lot of vitamin C and fiber. Some kids think that I look like a little green tree! What am I?_____
- I am a fruit that is very spiky on the outside and yellow, soft and juicy on the inside. I have "APPLE" in my name, but I am not an apple! What am I?_____
- I am a fruit that grows on a tree, and come in many different colors. My name rhymes with "CHAIR" and you might need to stand on a chair to pick me! What am I?_____
- I come in different colors, like green and red. Before I became raisins, I was a bunch of these. What am I?_____
- I am a tropical fruit that is soft and bright orange on the inside. I taste very sweet. My name rhymes with "MAYA." What am I?_____
- I am a round fruit with a peel. I am also a color. I have a lot of vitamin C for your body, and you can also drink me anytime. What am I?_____
