

-Do we get a cab, ? maybe Uber

- people like Uber

-Uber X what is it? What is it?

-it's like with your phone

-God knows what's going to pull up tonight, to

-some guy in a Ford Festiva

- in the back?

-baby seat next to you?  
with a baby

- on the floor?

-what's going on back here guy?

-are you on an , what is this?

-Uber black that's another one people,  
that's a better

-you might get a sedan, an SUV

-you ever get into that guy's car?  
he's so proud of his candy

-as soon as you get in  
I got candy if you want  
I got it in the seat  
I got gum  
jolly rancher  
I got uh iPhone three, four, five, six charger  
I got iPhone nine it's not out, but I have  
if you need the uh

what?

- weird experiences

-you get an uber they're weighing you  
you're weighing them everybody's on some  
weird fake

-as soon as you get in you have to ask  
you feel like okay I gotta...  
doing Uber?

-and they never just do Uber  
they always got some side  
you ask them how long?

no come on...  
I do this 12 hours a week but my real  
business I got the in Istanbul

What...the hell are you talking about?

-and Uber is expanding into a lot of different  
areas you don't have this yet here in New York  
city, but in Los Angeles they have a thing  
called Uber

-where they'll bring a cat to your house  
for one hour

-

-I've never been sitting around my home  
and asked my wife:

-babe call Uber let's get a cat over here  
for one hour I need something

-it's weird
