I remember a very _____ day at _____ when I was a child. We _____ to a museum and my teacher spoke about the _____, and everyone got excited. We watched a video about the stars. Then, we discovered that The Sun is a _____ too. I met my friend Emily there and she had a big _____ because she loved everything related to the space. At the end of the day, we all went to the mall to have a special treat. We got a mango _____ that was awesome. We took the bus back to the school. When we _____ at the school, my friend Sam was very scared because there was a big _____ on his seat. He talked to me and said that he didn't like insects. For me, it was a good and special day that I will always remember.
