LIVEWORKSHEETS

2. Instruction: Select the best answer to each definition.

They inhabited the American continent before the arrival of the Spanish.	
They were considered property and therefore received no salary for their work and had no rights.	
They were a racial mix between Spanish, Indigenous and African peoples.	
They were children of Spaniards born in America.	
They occupied the first place in the social pyramid.	

3. Instruction: Give your personal opinion.

Do you agree to live in a country where some people have more benefits and rights than others? Justify your answer.
