

"Have you ever seen the rain"

Someone me long ago
There's a calm before the storm
I , it's coming for some time
When it's over, so they
It'll rain a sunny day
I , shining down like water

I wanna know, you seen the rain?
I wanna know, have you ever the rain?
Coming down on a day

Yesterday, and days before
Sun is and is hard
I know, that way for all my time
'Til forever, on it goes
Through the circle, and
I know, it stop, I wonder

I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain?
Coming down on a sunny day

Yeah!

I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain?
Coming down on a sunny day
