## My holiday disaster

Although I work in the centre of London now, I like going to the mountains when I can. Last winter I decided to spend a week in Scotland. I wanted to go skiing and walking in the mountains. I looked on the internet and booked a cottage (a small house) for a week. One Friday night last November, I packed my bags, went to Heathrow airport, and waited to get on a plane to Inverness.

Then the problems started. The plane didn't leave that night. There was a lot of snow in Scotland and they closed Inverness airport. So I spent the night in Heathrow. I drank a lot of tea and read a lot of newspapers. I tried to sleep but I wasn't comfortable. Next morning, Inverness airport opened again, and we arrived in Scotland. But my bags weren't there.

I hired a car and drove to the cottage. It was a twenty-minute drive from the airport. When I arrived, there was a family with two little children in the cottage! They booked on the internet, too – for the same week. The family was very kind. They said I could sleep in the lounge, and they cooked dinner for me.

Next day, I got my bags from the airport and decided to go skiing. But the mountain road was closed because of the snow. I didn't ski and I didn't go walking in the mountains. I spent the week in the cottage waiting to go home – it wasn't my favourite holiday!

1- Where did he go last winter?

2- When did he go?

3- Why did they close the Inverness airport?

4- What was the problem with his bags?

5- Did he go skiing?

6- Where did he spend the week?
