The story of Robin Hood is very interesting, and there are different versions. The most famous version is that Robin was a nobleman, and he ( didn't liked / didn't like ) the new king, Prince John, because the people ( had / must ) to pay a lot of money for the place where they lived. But many people couldn't pay that much, so they ( ate / didn't eat ) anything, to give money to King John. Some of Robin's Merry Men ( was / were ) also important; for example, Little John, or Friar Tuck. Robin met Little John while he ( was walking / walked ) in the forest. Little John wanted to ( be / was ) one of the Merry Men, and Robin accepted because Little John was a good man but also very strong and big! In the end, when Richard was king again, Robin ( was getting / got ) married to Marian, the woman he loved, and everyone was happy.

Lucy ( love - loves ) old stories, but her favourite films are the latest ones, because they have a lot of special effects! Next week she ( went / is going to go ) to Canada on holiday with her family, and she hopes she ( will see / see ) "Minions" at the cinema there.
