

4 I don't think bicycles will replace cars in the future.

5 I agree that most people will smoke cigarettes in the future.

Exercise 13. Write an essay on the following topic: What should schools do to make their students healthier? Use the notes to help you.

Notes

In your paragraph, remember to include:

I an introduction to say what the essay is about.

2 a paragraph that describes children's health in schools now.

3 a paragraph that describes things schools should do to make children healthier.

4 a conclusion and your own opinion.

UNIT 8 STUDENT
