

"Go Away"

Weezer feat. Bethany Cosentino

Cold hearted girl
Don't ¹ **ignore** / **hurt** me like this anymore
I'm waiting right outside your door
Saying, "Baby, ² **can** / **may** we talk?"
Stupid boy
You keep on begging but I ³ **won't** / **don't** let you in
You keep on ⁴ **lying** / **crying** but you know what you did
I'll never ⁵ **let** / **get** you back in
Then you say:

Chorus:
"Go away (x7)
Don't ⁶ **come** / **go** back here anymore
Go away"

I ⁷ **was** / **am** wrong
I hurt your feelings when I did what I did
I learned my lesson; I'll ⁸ **start** / **stop** acting like a kid
⁹ **Can** / **Could** you give me one more chance?
And so I ask
"What did she have that I ¹⁰ **don't** / **can't** have?"
You ¹¹ **bet** / **said** you'd stay, but then you went away
That's why I'm ¹² **asking** / **telling** you to go away
Then you say:

Chorus

But my life is incomplete without you,
And you ¹³ **miss** / **skip** the little things that I do
You do
¹⁴ **Will** / **Won't** you take me back?
That was your last chance

Chorus

Go away and don't come back
