New Zealand, 2nd August 2012
Dear Diary,
I haven't written anything for a long time.
I have been in New Zealand for 3 months
now and I have had a great time! I haven't
seen any Americans since the beginning of
the month!! I have made new friends. All of
them call me Phil. I have been to Auckland
several times now. I love this city. I have also
been on several expeditions in the mountains.
The sceneries are so gorgeous!

Rem : Auckland isn't the capital city of New Zealand, it's Wellington.
