My best friend is Cyril. 🤔 11.29

He's from Paris. 11.29

And guess what! Tomorrow there's an international food fair at school with food from all over the world. 11.29

But you only like eating pizza. 🤔 11.29

Yes, well, I have to go. It's dinner time. 11.29

Are you having salad? 🤔 11.29

2 It's the day of the international food fair. All the parents are there.

Cyril is making French pancakes. They're called crêpes. There's some flour, milk, eggs and butter in the mixture. You can have lots of different fillings. They can be sweet or savoury. Cyril's favourite is asparagus. He doesn't like sweet things.
