At first glance⁶, we are all supposed to¹ know the Lord of the Rings film, but who was its writer?

⁰J. R. R. Tolkien was a British writer, poet, philologist, linguist and Professor at Oxford University. As a young man, he loved¹ to read everything, yet² we come across⁵ he showed great interest in philology and the old Norse sagas and legends. But not all the glitter is gold⁴ and his family moved several times. His father² thought that the English climate would suit his children's health better. In March 1916 he married³ Edith Tolkien. They had three sons and a daughter. They lived in⁴ South Africa and moved to England.

After that, he wrote⁵ one of his most famous books, it can pin down The Hobbit. During 1925, it is worth highlighting²⁶ he worked as a professor at Oxford University, Tolkien is best known for⁶ his novel The Lord of the Rings, comprising three epic fantasy, action and adventure parts, which had far-reaching effects¹³ due to they have been made into films and we cannot overlook that fact²³ they have been the most awarded films in history with eleven Oscars.

Last but not least²², Tolkien died in⁷ Bournemouth, UK in 1973. On the tip of the iceberg²⁵ If I had been in your shoes²⁷, I would watch his films and read his books, you cannot turn a blind eye to his works²⁰.
