

This is my idol. His name is Cristiano Ronaldo. He is a famous football player who recently plays for Manchester United. He was born on the 5<sup>th</sup> of February in 1985. He is a very talented football player from Portugal who has won many trophies and got many awards.

Cristiano Ronaldo is very handsome. He is 185 cm tall and has a well-built body. He has got short curly black hair and beautiful brown eyes. He can run very fast and has scored so many goals. Cristiano is a diligent man, he always comes earlier than his fellow footballers to exercise. He is a very ambitious person, he never gets satisfied with his achievement that makes him eager to try new things. Despite his successful career, he is very humble and generous. He loves to do charity. His favourite number is 7, he always wears the number 7 on his back. I love him because of his personality.
