## *This is me!*

My name is Helen Wright. I am nineteen years old. I am from Leeds. It is a beautiful big city in West Yorkshire, UK. I am British.

We are a family of five: my parents, my twin brother and sister and I. My father is a baker, he is forty-eight years old. He and my uncle run a Bake Shop. My mother is a freelance accountant, she is forty-three years old. Andrew and Mary are fifteen years old, and they love sports.

- My favourite colour is Kelly green. It is the colour of new grass in spring. I think it is a happy colour, full of energy.
- My favourite animal is the dog. They are affectionate, loyal and protective.
- My favourite food is Lemon Drizzle Cake. It's my father's specialty.
- And my passion is drawing and painting. In fact, I like all Plastic Arts. I am good at them.

I am studying to be a Graphic Designer at Leeds Art University. This is my first year, and I am learning a lot. With this Degree, you can work in the Publicity and Marketing industries.

I am really interested in Branding, Logo Design and Packaging Design. I like Web and Mobile Design, and Layout and Print Design, too.

I have my best designs in a portfolio. It includes some of my graphic design homework assignments and other contents. For example, Personalized stationery and Thank You notes for my family and friends.

And I have rebranded our family Bake Shop. I created my own Font designs, and a new logo and colour scheme. I used them to design a new Business Card and a brochure with the Bake Shop specialties and prices. My family loved them!

I am still a student, but I have some experience at Graphic Design. I am a beginner creative freelancer!
