Read the sentences carefully and write 1 to 8 (one to the first sentence, and eight to the last) to **ORDER** the following dialogue.

A: Could you please guide me?

B: It's not far, maybe about 200 yards.

A: Thank you for your help.

A: Excuse me! Is there a hospital near here?

B: It's that way. Go straight ahead. Take a right at the junction. This straight road will lead you to the hospital.

B: Not at all.

A: How far is it to the hospital?

B: Yes, there's one near here.
