My House

Hi Santiago,

I'm excited you're coming to stay with us in our new house for the summer! We live in a big house with four bedrooms. My parents have the biggest bedroom, and they have their own bathroom. My sister and I have our own bedrooms. There's a fourth bedroom, but now it's my mom's office. My bedroom is pretty big. I have two beds, so you can sleep in my room. There's room for your clothes in my dresser.

Downstairs there's a big living room. We have a sofa, two armchairs, and a huge TV! My favorite room is the kitchen. There's a big table where we eat, talk, and play games. There's a dishwasher, so we don't have to wash dishes by hand!

Tell me about your apartment.

Your cousin,
Jorge
