## Different ways to Agree

**Say it loud!**

### Different ways to say "I agree"

Barbara: I think we should hire an external agency for this project.

You : Absolutely  
That makes sense  
I'd go along with that

### Different ways to "strongly agree"

Tim : Our IT system needs to be upgraded soon

You : I couldn't agree more  
You're absolutely right  
That's exactly what I wanted to say

### Expressing partial agreement

Linda : We need to reduce costs and lay off about 50 staff by the end of the year.

You : I agree with you up to a point, but do you really think we need to lay off that many?  
I see where you're coming from, but I don't think we need to lay off that many
