

## Different ways to Agree

### Say it loud!

#### Different ways to say "I agree"

Barbara: I think we should hire an external agency for this project.

You : Absolutely

That makes sense

I'd go along with that

#### Different ways to "strongly agree"

Tim : Our IT system needs to be upgraded soon

You : I couldn't agree more

You're absolutely right

That's exactly what I wanted to say

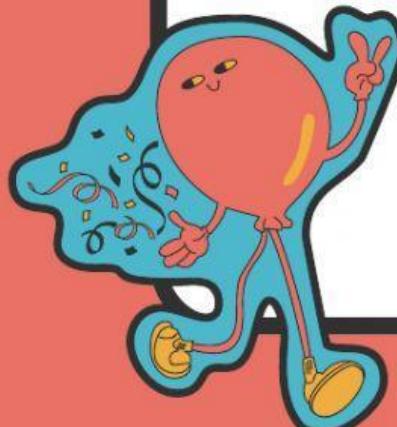

#### Expressing partial agreement

Linda : We need to reduce costs and lay off about 50 staff by the end of the year.

You : I agree with you up to a point, but do you really think we need to lay off that many?

I see where you're coming from, but I don't think we need to lay off that many
