

Fill in the blanks:

The song "Something Just Like This" \_\_\_\_\_ created by Coldplay and the band The Chainsmokers. It's about a person declaring \_\_\_\_\_ they don't need someone \_\_\_\_\_ is superhuman or like a superhero, they just want someone they can be close to and feel themselves with.

The message of the song \_\_\_\_\_ that there is value to the more simple and basic things in a relationship and life in general, and "fireworks" can \_\_\_\_\_ overrated. On many occasions, all people want is to be with a person they feel comfortable \_\_\_\_\_, can be themselves with, "somebody to kiss / miss".
