Reading

5. John Lennon 1940-1980

John Lennon

1940–1980

John Lennon was one of The Beatles. With Paul McCartney he wrote some of the greatest songs of the 20th century.

John Lennon had an unhappy childhood. His father left home when he was five. His mother couldn't bring him up, so John lived with his aunt Mimi until he was 19. When he was 17, his mother died in a car crash.

He went to Quarry Bank High School in Liverpool. He met George Harrison and Paul McCartney, and in 1960 they started a band called The Beatles.

The Beatles recorded their first single 'Love Me Do' in 1962. They became famous in 1963, when they played more than 200 concerts. In 1964 they went to the United States for the first time and played on American television.

End of concerts

The Beatles stopped playing live concerts in 1966 because the audience made so much noise that nobody could hear the music. But they continued to record songs, and in 1967 they made the album *Sgt Pepper's Lonely Hearts Club Band*. The last album they recorded together was *Abbey Road*.

John Lennon married the artist, Yoko Ono, in 1969, and in 1970 The Beatles broke up. John and Yoko moved to New York. John wrote and sang his most famous song 'Imagine' in 1971. In 1980 he recorded a new album, *Double Fantasy*.

He was killed a month later. An American, Mark Chapman, shot him outside his New York apartment near Central Park. Two days before his murder John Lennon told an interviewer, 'I feel safe in New York. I can go anywhere. It's my home.'

1. Read about John Lennon. Complete the sentences.

- 1 John's father left home when he was five .
- 2 His mother died when _____ .
- 3 He started The Beatles with Paul and George in _____ .
- 4 The Beatles played more than _____ .
