I'm so hungry! Oh no! Max hasn't done the shopping!

- But look! He's left some milk. And he hasn't eaten all the biscuits.

I've opened a bottle of lemonade and I've got some nuts.

- Hammy, you've eaten my biscuits!

I haven't touched your biscuits.

- Well… Someone has eaten them and someone has drunk the milk too.

It wasn't me, Fluffy. Oh! Where are my nuts? I haven't eaten them. That's strange.

I can't see anyone.

- I can. Look!

Come on, guys! We're having **a party!** (Present Continious – У нас вечеринка сейчас)

Present Perfect используют, когда обмениваются текучим положением дел.

Например: Макс не сделал покупки, но, смотри – он оставил немного молока.
