

I'm so hungry! Oh no! Max **hasn't done** the shopping!

- But look! **He's left** some milk. And he **hasn't eaten** all the biscuits.

I've **opened** a bottle of lemonade and I've **got** some nuts.

- Hammy, **you've eaten** my biscuits!

I **haven't touched** your biscuits.

- Well... Someone **has eaten** them and someone **has drunk** the milk too.

It wasn't me, Fluffy. Oh! Where are my nuts? I **haven't eaten** them. That's strange.

I **can't see** anyone.

- I can. Look!

Come on, guys! We're having a party! (Present Continous – У нас вечеринка сейчас)

Present Perfect используют, когда обмениваются текущим положением дел.

Например: Макс не сделал покупки, но, смотри – он оставил немного молока.
