

EMOTIONS

Do you ever think about your ? What kinds of things make you ? I get sad when I get a bad in school, or when someone that I like away. I sometimes see sad movies that make me cry. I don't like to be sad. I like to be

I am happy most of the time. make me happy. Being with my friends makes me happy. If someone tells me a joke, I . I enjoy laughing. Funny make me laugh. I think that people look the best when they smile.

Sometimes I even smile when I am feeling sad, and the smile makes me feel a better.
