Subject and object questions

Uses

We use object questions to ask _____ etc. someone or something does, did, etc. something.

Who did Martin Cooper call? **When** did you buy that phone?

Where have you been? **Why** did you choose that phone?

We use subject questions to ask _____ or _____ does, did etc. something. We make these questions with the question words _____

Who called you?

What happened?

Which computer works better?
