Trendynicky Hello lovely followers! I've been missing for a while but I'm finally in Italy on the beautiful Capri island. I'm having fun with my sister Rosie, she's travelling with me this summer. My parents aren't coming with us but they are having a great time in NY. Now, my sis and I are having a cocktail in the Piazzetta but I am making a pause because I want to show you my outfit! I'm wearing a really comfortable and elegant long white linen dress. I'm wearing regional accessories, a straw hat, and a handbag with delicate brown leather. I'm wearing brown leather sandals to complete my outfit. I'm not wearing any jacket because here it's sunny and hot!

So, are you travelling anywhere? What are you doing right now? I hope you are doing so well! I am thrilled and excited to show you the landscapes and fashion trends I am seeing here. I have to go now. See you soon, xoxo Nicky!! 💜💜😘
