

I thought it'd feel different playing Wembley  
Eighty thousand singing with me  
It's what I've been chasing 'cause this is the dream

When it was all over, I cleared out the room  
Grabbed a couple beers, just me and you  
Then we start talking the way that we do

Ain't it funny how the simplest things in life can make a man?  
Little moments that pass us by  
Oh, but I remember

The \_\_\_\_\_, the \_\_\_\_\_, the \_\_\_\_\_  
The \_\_\_\_\_, red wine, on a step in Brooklyn  
I still feel the \_\_\_\_\_, and we both made it out alive  
And I can't wait to make a million more \_\_\_\_\_  
(Mm-hmm, mm-hmm)

The greatest thing that I have achieved  
Is four little words, down on one knee  
Said, "Darling, are you joking?"  
And I just said, "Please"

Ain't it funny how the simplest things in life can make a man?  
Little moments that pass us by  
Oh, but I remember

The \_\_\_\_\_, the \_\_\_\_\_, the \_\_\_\_\_  
The \_\_\_\_\_ in your eyes when I said, "I love you"  
I can still feel the butterflies from when we stumbled home that night  
I can't wait to make a million more \_\_\_\_\_  
(Mm-hmm, mm-hmm)

Ain't it funny how the simplest things in life can make a man?  
Little moments that pass us by  
Oh, but I remember

\_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_  
\_\_\_\_\_, moonlight, in your parents' garden  
I can't wait to see everything that's yet to be  
Our \_\_\_\_\_, and then a million more \_\_\_\_\_
