

B1.3

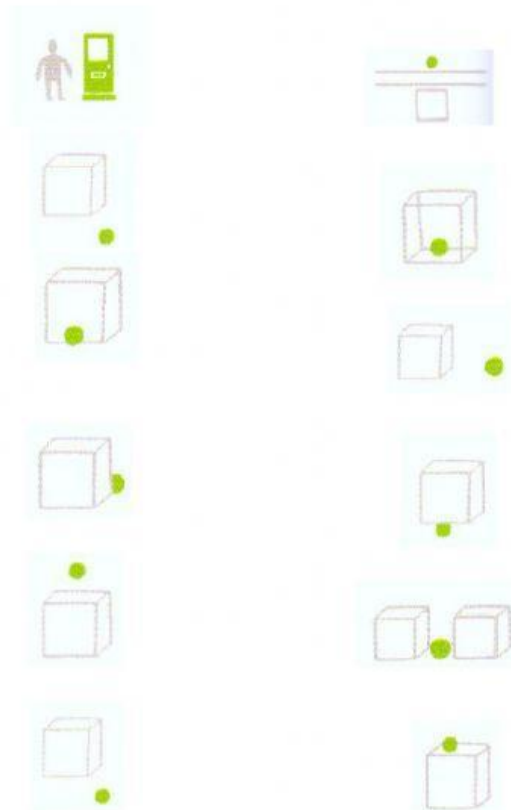

Prepositions of place and prepositions of movement.

The Anglo Mexican Foundation

Task 1: Match the prepositions to the images.

Prepositions of place

At
In
Above
Under
Below
Opposite
Between
In front of
Behind
Next to
Near
On

Prepositions can tell us where something or someone is or the direction something or someone moves.

Task 2: Write down the correct prepositions; 'at', 'in' and 'on' where corresponds to complete the sentences and phrases.

We use to talk about where we work, live and study:

home, work, school, university.

We use with towns, cities, countries and continents:

London, Mexico, Asia

We use to say where on a road places are:

The bank is the left. My house is the right.

We also use with floors in a building:

the first floor, the second floor.

B1.3

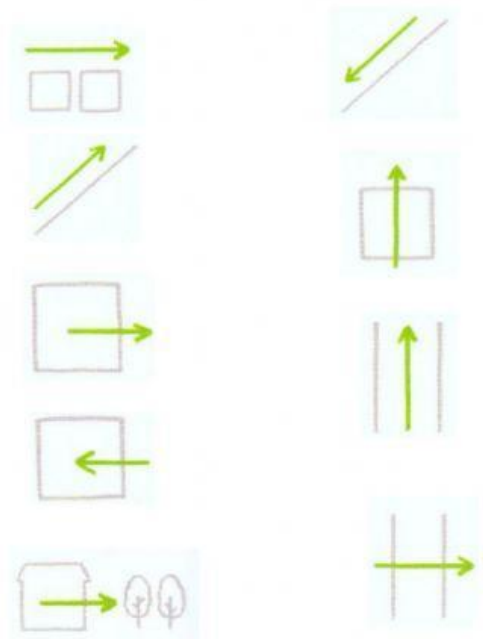

Prepositions of place and prepositions of movement.

The Anglo Mexican Foundation

Task 3: Match the prepositions to the images.

Prepositions of movement

Down
Up
Out of
Inside
Outside
Past
Through
Along
Across

Task 4: Write down the correct word; 'prepositions' and 'verb' where corresponds to complete the rule.

We use of movement after a that describes a movement (e.g. *go, come, walk, climb*)
