The Client

Chapter 5: In the Hospital

Choose True, False or Doesn't Say.

1. Mark was watching TV when a nurse found him in the morning.

2. She took Mark to the café for breakfast.

3. When Dr Greenway examined Ricky, Dianne said he couldn't see him.

4. Dianne hadn't had a shower or changed her clothes since Ricky was hospitalized.

5. The doctor advised Dianne and Mark to be there when Ricky woke up.

6. Dr Greenway told them he had seen cases as serious as Ricky's.

7. He gave Dianne his phone number so that she could phone him if Ricky woke up.

8. He gave Dianne a newspaper and told her to read the article about Clifford.

9. He told her the police and FBI were in the hospital to talk to Mark.

10. Mark told the doctor he had nothing to say to the FBI.

11. Dr Greenway promised to keep the FBI away until noon.

12. Dianne wondered why Clifford's client had killed a senator.

13. Mark started feeling unwell at the thought of the Mafia.

14. Mark told his mother everything he knew about the case.

15. As Mark was a child, Dianne had to be present at his interrogation by the FBI.
