### An Unusual Job

My name is Alice, I work as a living statue, or street statue. It's a good way to earn money and watch the world at the same time. As a living statue, I have to be patient, strong, and fit. It's not easy to stay still for long hours. I usually stay for two hours in one place. Then, I go and find a new place.

In the photo, I'm sitting on a bench in the street. People usually watch me for a few minutes and then put some money

in the box. Some people put money in the box, some don't. There are always a few people who try to annoy me or make me move. They touch me or they talk to me. Of course, I try hard not to react.

I also work in restaurants and cafés. I sit at a table like a customer, or I stand like a waiter. Sometimes, I work at birthday parties and other special events.

My job is not boring because I often change my appearance. Sometimes I'm a harlequin or a Roman Empress or an innocent young lady from XIX century. Of course, I don't always want to be a street statue. I hope to be a movie actor someday.
