

Unit 10: Fantastic weekend

1. Listen and read along many times.

A day at the ZOO

I visited the zoo with my mum last weekend. A **guide** talked about the animals and we learned lots of new things. First we visited the **jungle** area. We listened to the monkeys and the **parrots**. They were very noisy! Next we walked to the aquarium and looked at the fish.

Then we looked at the tigers. They're my favourite animal. They were outside, but one tiger was inside. It was in a **cage**. It looked sad. 'Why is the tiger sad?' I asked the guide. 'Because it's **ill**,' she replied, 'but the **vet** is helping it.'

Later we walked to the **giraffes**.

'Wait!' I said. 'I haven't got my phone! It's in the Tiger House.'

I walked back to the tigers, but my phone wasn't there. The tiger wasn't there and the cage door was open!

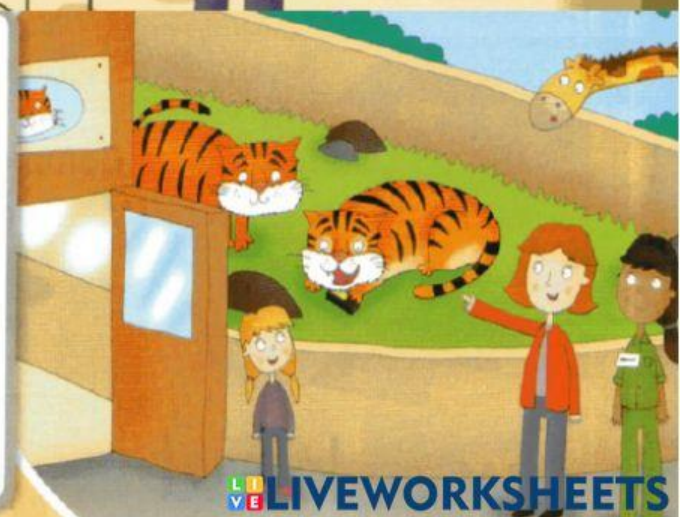

'Help, Mum!' I shouted. 'The tiger isn't in its cage!'

My mum smiled. 'Look!' she said.

The tiger was outside with the other tigers. It was happy.

'The tiger is OK now,' said my mum. 'And look! It's got your phone!'

The tiger looked at me and **roared**. The giraffe was scared, but I wasn't. I liked the tiger!
