# Activity 3

## Creating a Product (Designing Label)

1. With your group and by using canva application, create a product about label for the food and drink your teacher gives (Bersama kelompok kalian dan dengan menggunakan aplikasi *canva*, buatlah sebuah produk tentang label untuk makanan atau minuman yang guru kalian berikan!).
2. Your label product must involve on brand of product, name of product, description of product, amount/net weight, expired date, ingredients, direction to use (optional), direction of storage, nutrition facts, and production place/manufacturer. (Label kalian harus mencakup merk produk, nama produk, deskripsi produk, berat bersih, tanggal kadaluarsa, komposisi, petunjuk penggunaan (opsional), petunjuk penyimpanan, informasi nilai gizi, dan tempat produksi).
3. Design your label as creative as possible (rancanglah label kalian sekreatif mungkin).

**Do like the example below (kerjakan seperti contoh di bawah ini!)**

**Here are the lists of food and drink in which students must produce the label for (berikut ini daftar makanan dan minuman dimana siswa harus membuatkan labelnya).**

**Kolontong**

**Opak**

**Rangining**

**Comring**

**Bandrek**

**Yogurt**
