Read the speech bubble and then reports what Yuko said.

<sup>1</sup>We've been in the UK for two weeks and <sup>2</sup>we've done a lot. <sup>3</sup>In our first week we went to London and <sup>4</sup>I had a ride on the London Eye. Then <sup>5</sup>we travelled to Scotland, where <sup>6</sup>we're staying with some friends. <sup>7</sup>They speak fast and <sup>8</sup>I can't always understand the accent! <sup>9</sup>It doesn't matter, <sup>10</sup>I love it. <sup>11</sup>I haven't sent any postcards, but <sup>12</sup>I'll be back on Saturday and <sup>13</sup>I'll have lots of photos!
