A cartoon bee character with glasses is shown next to a shelf with five items labeled a, b, c, d, and e. Below the shelf, five green cartoon ants are shown, each with a speech bubble and a red arrow pointing to a sequence of six images showing the process of drawing a school building.

- Ant 1:** Points to the first image (empty box).
- Ant 2:** Points to the second image (outline of a school building).
- Ant 3:** Points to the third image (school building with blue windows).
- Ant 4:** Points to the fourth image (school building with blue windows and a red sign).
- Ant 5:** Points to the fifth image (school building with blue windows and a red sign).

The sequence of images shows the progression from an empty box to a fully drawn school building with a red sign that says "SCHOOL".
