Assessment on Mixed Tenses

Every year Maggie ..... (go) to Pinamar for her Summer holidays. She ..... (love) swimming in the sea and sunbathing. She generally ..... (wake) up early, ... (have) breakfast and ..... (walk) to the beach with her family.

Last year her father ..... (decide) that they were going to visit Bariloche instead. At first Maggie ..... (not, like) the idea and ..... (be) a bit upset but then she ..... (think) that it would be nice to go to a place she hadn't been before.

As soon as they arrived they ..... (leave) their luggage at the cabin and ..... (go) for a walk. Maggie couldn't believe her eyes! She had never seen such a beautiful landscape before. There ..... (be) high mountains covered in snow. The lake ..... (be) huge and transparent. **While** they ..... (walk) they ..... (see) a small deer nearby.

They ..... (have) a fantastic time. When they ..... (return) to Buenos Aires, they ..... (be) all so happy with the trip that they couldn't stop talking about it. They ..... (share) the pictures they had taken and recalled the happy moments.

Maggie asked her parents, ¨..... we ..... (visit) Bariloche next year?¨
