

SUPERHEROES WEAR CAPES

We can see in comic strips and movies that superheroes and villains wear special clothes. For example, Superman **wears** a red cape. Batman and Captain America **wear** masks to hide their identities. Many superheroes and superheroines **use** accessories - for example, Thor **uses** a hammer. The special clothes superheroes and villains copy the clothes people in the circus (acrobats and strongmen) wore in the past.

Nowadays, we can see more superheroes, superheroines and villains without capes or masks. For example, Ironman **doesn't wear** a cape or boots. Hawkeye and black widow **don't wear** a mask or a helmet.
