

Listening Comprehension - Who is Banksy ? 1'17

<https://www.youtube.com/watch?v=Xoe3Nn5vuBg&t=7s>

Banksy is perhaps the most and artist alive. He started making as a teenager near Bristol, UK in the 90's. Much of his graffiti is still from this era and the town is taking majors to keep it From there, he began a media work rise to the poster child for the international street art movement. After several, a much loaded documentary and an increasingly devote following, Banksy has become a This means that his works are traded for Even though this is in direct with this own..... For background, Banksy is a who his art on services such as walls and self built physical prop pieces. He has painted graffiti on the west bank, Gaza strip and other public spaces leading to bothand Over the years, his graffiti has captured the public's and he remains a in many social circles. Banksy does not sell or of his street graffiti but art auctioneers have been known to attempt to sell his on location and leave the problem of its to the hands of the winning bidder. But this fuels the omnipresent question : who exactly is Banksy ?

displays / graffiti / cult / ethos / publicly visible / street art / mysterious / hugely controversial works / household name / outrage / photographs / subversive / intact / contradiction / reproduction / fully anonymous artist / visible / huge sums of money / admiration / imagination / removal / counter culture idol
