

**Counting and Measuring**

|  |   |   |
|--|---|---|
| <p><b>° DEGREES</b><br/><b>C CELSIUS</b><br/><b>- MINUS</b></p>  | <p><b>WHAT IS THE TEMPERATURE?</b><br/> <b>24°</b> It's twenty four <b>degrees</b>.<br/> <b>-5°</b> It's <b>minus five degrees</b>. It's five <b>below zero</b><br/> <b>100°C</b> Water boils at <b>100 degrees Celsius</b><br/> <b>0°</b> Water freezes <b>at zero degrees</b>.</p>  | <p><b>36.8° to 37° C</b></p> <p>Normal human body temperature is <b>thirty six point eight to thirty seven degrees</b>. His temperature is <b>almost forty</b>.</p>   |
| <p><b>1/2 A half</b><br/><b>1/3 A third</b><br/><b>2/3 Two thirds</b><br/><b>1/4 A quarter</b><br/><b>1/5 A fifth</b><br/><b>1/8 An eighth</b></p> | <p><b>1/2 kg</b> I bought half a kilogram of prawns<br/> <b>1/2 cup</b> I need half a cup of water<br/> <b>1/3 cup</b> This recipe needs a third of a cup of water<br/> <b>1/4 tsp salt</b> A quarter of a teaspoon of salt<br/> <b>2 tsp sugar</b> Two teaspoons of sugar<br/> <b>3 tbsps flour</b> Three tablespoons of flour</p> | <p><b>Sale</b> <small>Was \$100</small><br/><small>New \$55</small></p> <p><b>50% OFF</b><br/>SELECTED PRODUCTS</p> <p>I bought this jacket at a sale. There was a <b>fifty percent (50%) discount</b> so I got it for <b>half price</b>. It cost me <b>fifty five dollars</b>. The <b>original price</b> was one <b>hundred and ten dollars</b>.</p> |
| <p><b>Cube</b><br/><b>Cubed</b><br/><b>Cubic</b><br/><b>Cubic metres</b></p>   | <p></p> <p>The raised garden needed one and a half cubic metres <b>1 ½ m<sup>3</sup></b> of soil.</p>  | <p>I bought a kilo and a half of bananas.</p> <p>I bought one and a half kilos of apples.</p>    |

**TASK A. Write the correct measure using the numbers in parenthesis. Follow the example:**

- The doctor took the child's temperature. It was \_\_\_\_\_ (39.8°)
- It was cold this morning. The temperature was \_\_\_\_\_ (-4°)
- The forecast maximum temperature for London tomorrow is \_\_\_\_\_ (19° C)
- \_\_\_\_\_ of Australian population is of Aboriginal descent. (2 ½ %)
- Se used \_\_\_\_\_ of fruit in that pie. (1 ½ kg)
- This recipe uses \_\_\_\_\_ of milk. (3/4 cup)
- I'll have to eat less. I've put on \_\_\_\_\_ since Christmas. (1kg)
- There was a \_\_\_\_\_ discount on everything in the store. (25%)
- A truck delivered over \_\_\_\_\_ of topsoil for the garden next door. (3m<sup>3</sup>)

**TASK B. Follow The Example And Fill With One Of These Words: *Width – Depth – Height or Length*:**

|  |  |
|--|--|
|  <p><b>Example: How long is the pipeline?</b></p> <p>What is the <b>length</b> of the pipeline?</p> |  <p>How <b>wide</b> is the bed?</p> <p>What is the _____ of the bed?</p> |
|--|--|

|  |   |  |   |
|--|---|--|---|
|  | <p>How <b>deep</b> is the pipeline?</p> <p>What is the _____ of the pipeline?</p> |  | <p>How <b>tall</b> is the boy?</p> <p>What is the _____ of the boy?</p> |
|--|---|--|---|

**TASK C.** Ask the question in both forms. Begin with "how" and "what". Use these words: *big, far, long, high, size, distance, length, height.*

|  |  |                                   |   |
|--|--|-----------------------------------|---|
|  |  |                                   |   |
| <p>New York is 3,471 miles from London.</p>  | <p>My office is 108 square feet (9.72 square meters)</p> | <p>The ship is 385 feet long.</p> | <p>This building is 3-storeys high, and the other building is 8 storeys high.</p> |
| <p>Example: <b>How far</b> is New York from London?<br/><b>What is the distance</b> from London to New York?</p> | <p>How _____?<br/>What _____?</p>                        | <p>How _____?<br/>What _____?</p> | <p>How _____?<br/>What _____?</p>   |

**Note:** A storey is a floor of a building. The plural of "storey" is "storeys" or "stories". Both are correct.

**TASK D.** Write sentences with "AT LEAST".

- I know Math is difficult but you should \_\_\_\_\_
- You are late for the meeting you should \_\_\_\_\_
- I'm sorry I got angry with you but \_\_\_\_\_
- I've called you several times you should \_\_\_\_\_
- My sister is still on vacation and she won't be back for \_\_\_\_\_

**TASK E.** Rewrite sentences with "ALMOST".

- Everyone owns a car these days. \_\_\_\_\_
- He calls his mom every day. \_\_\_\_\_
- She has broken all of her toys. \_\_\_\_\_
- She has been to all countries in Asia. \_\_\_\_\_
- I am upset because no-one wished me on my birthday. \_\_\_\_\_
- There was nothing to do. \_\_\_\_\_
