C. Listening for the second time/ Task rehearsal (flipped task)

Join with arrows the ideas on the left with ideas on the right to complete the statements.

People want to clone their dogs because

they are not on high demand.

Cats can be cloned, but

they might develop different behavior from the original pets.

When pets are cloned,

they want to continue to see their pets in the family.

Clients are aware of the expectation that

they might get a cloned pet that is different from their previous pet.

D. Post-listening/ Post-task: a writing task (in class)

Write a comment for **60 Minutes** on instagram <https://www.instagram.com/60minutes9> sharing 3-4 reasons why you would like or wouldn't like to clone your pet.
