READING

1. Read the text and decide if the sentences are T (true), F (false) or NM (not mentioned). (7pts)

Vegans

What are vegans?

Vegans are people who don't eat animal products in their diet. A vegan doesn't eat meat, fish, eggs or diary products.

Where is the name from?

The name comes from the word "vegetarian". "V, E, and G" are the first three letters from that word and "A and N" the last two.

Do vegans eat proteins?

Yes, they do. Protein is extremely important in a vegan's diet. A vegan eats a lot of fruit, vegetables, nuts and soya, and they've got proteins.

What about milk?

Cow's milk is an animal product. They don't use it. Vegans drink soya milk because it doesn't come from an animal.

Why are people vegans?

Some people don't eat meat because they don't like it. Other people don't eat meat for religious reasons. But vegans hate using animals for food.
