

Look at the map carefully. Match questions from column A with the corresponding answers from column B

Column A

Is there a Chinese Restaurant in the city

Where is the club?

Is there a bank in the city?

Column B

It is in front of the park

Yes, there is. There is one next to the Korean Restaurant

No there isn't. There is a Korean and Italian Restaurant only

Write a direction based on this information. You have to use vocabulary like turn left - right, go straight, streets or avenues

I am in the Art Gallery. Do you where the church is?
