

COVID 19 IN TAIWAN

Robert Domen is a reporter. He is in New York City now. It is April, 2020. The COVID 19 pandemic is causing a lot of trouble in the world. Robert is on a Zoom meeting with his friend Leonard, who is in Taiwan. Complete the conversation.

Robert: Hi Leonard! How are you?

Leonard: I'm at home.

Robert: in a house or in a flat?

Leonard: I live in a flat. Taiwan is very expensive.

Robert: people in the street?

Leonard: Yes, there are. There are a lot of people.

Robert:infected people

Leonard: Well.. only 300 cases. There aren't many infected people.

Robert:a mask in the street?

Leonard: Yes, of course. People wear a mask in the street.

Robert:

Leonard: There are a lot of hospitals. Taiwan is a very modern city!

Robert:

Leonard: Yes, I do. I love to live in Taiwan.

Robert:

Leonard: Because it is modern and quiet.

Fill in the blanks using one word

University of Tres de Febrero

University of Tres de Febrero offers 33 grade courses, 12 diplomas and numerous postgraduate courses. There a lot of students who study at all times:, afternoon and evening. As is a student exchange programme, there arestudents from other countries, like Spain, China or Colombia.

One of the most popular courses of study is Electronic Arts. Many Electronic Artshave got their own bands, because this is a technical and artistic discipline.

There.....a language lab and on the first floor there is a library with thousands of On the ground flooris a museum. This isimportant, because this museum brings art to the suburbs of Buenos Aires.

There are aof scholarships for athletes and also for students who want to study abroad. Also, there is an extension department where students and people in general can study many different things, like art, languages or drama.
