Trouble

Blood is in the rocky waters

Сховай your sons and daughters

Eat you alive

Levels

Better put your head on swivels

Dancing with самим devil

Butter to knife

You think you're кращий than them

Better than them

You think they're really your friends

Really your friends

But when it доходить to the end

To the end

You're just такий самий as them

Same as them

So let it go, let it go

That's the way that it goes

First you're in, then you're out

Кожен knows

You're hot, then you're cold

You're a light in the темноті

Just you wait and you'll see

That you're swimming with sharks

He's coming to get you

He's coming to get you, get

Bubbles

Тонучи, you seeing doubles

Don't you let them see your боротьба

Hiding your сльози

Crisis

Скористайся your niceness

Cut you up in рівні slices

Полюй за your fears

My blood is pumping

Don't take it from me

Every time my heart б'ється

I can feel the recipe

Мені цікаво if my day is gonna

blame it on the entropy

My blood is pumping,

I can see the end

is right спереду me

Don't take it from me,

I міг би be everything

Everything
