Our home

Our home is in Bariloche in the south of Argentina. Bariloche is a beautiful place. There are a lot of mountains and lakes. We've got a nice, small house near a lake.

Our house has got two floors. On the ground floor, there is a kitchen, a living room, a bedroom and a garage. On the first floor, there are two bedrooms and two bathrooms.

The living room is our favourite place in the house. There are two comfortable sofas. There is a black fireplace and a big window with a beautiful view of the lake and the mountains. There is a lot of light. In this room there is also a small dining area with a table and four chairs.

Our family

My name is Walter Soter. We are a family of four – me, my wife, Marina, and our two children, Camila and Teo. Camila is 9 and Teo is 12. We've got a pet, a brown and white dog.
