

## With a Little Help From My Friends

Joe Cocker

What would **you / I** do if I sang out of tune?  
Would you stand up and walk out on **me / my** ?  
Lend me **you / your** ears and I'll sing you a song  
And I'll try not to sing out of key

Oh, I get by with a **little / much** help from my friends  
Mm, I get high with a **little / much** help from my friends  
Mm, gonna try with a **little / much** help from my friends

What do I do when my **love / hate** is away?  
Does it worry you to be **alone / together**?  
How do I feel by the end of the **day / night**?  
Are you **sad / happy** because you're on your own?

Oh, I get by with a **little / much** help from my friends  
Mm, I get high with a **little / much** help from my friends  
Mm, gonna try with a **little / much** help from my friends

Do you need **anybody /somebody**?  
I need **anybody /somebody** to love  
Could it be **anybody /somebody**?  
I want **anybody /somebody** to love

Would you believe in a love at first sight?  
Yes, I'm certain that it happens all the time  
What do you see when you turn out the light?  
I can't tell you, but I know it's mine

Oh, I get by with a **little / much** help from my friends  
Mm, I get high with a **little / much** help from my friends  
Mm, gonna try with a **little / much** help from my friends

Do you need anybody?  
I just need someone to love  
Could it be anybody?  
I want somebody to love

Oh, I get by with a **little / much** help from my friends  
Mm, I get high with a **little / much** help from my friends  
Mm, gonna try with a **little / much** help from my friends
